Jeffco Public Schools Superintendent Dan McMinimee's Statement on Results of the Board Election

Golden, Colo. (November 4, 2015) – Please see below for Jeffco Public Schools Superintendent Dan McMinimee's statement regarding the results of the 2015 Board of Education election.

"First, I'd like to thank the outgoing members for their work that continued Jeffco Public Schools' tradition of striving for excellence in education. The district, our students and our community have benefited from increased student growth and achievement, greater transparency and accountability with student-based budgeting, the expansion of free full-day kindergarten for all free and reduced lunch students, our innovations to improve student achievement and address overcrowding concerns in the Jefferson and Alameda articulation areas, and the development of our Jeffco 2020 Vision, which will help prepare our students for their future, not our past."

"I'd also like to welcome our new board members to Jeffco Public Schools. I look forward to working with them to collectively do our best to deliver an excellent education for our children. Finally, we hope that our Jeffco community can heal its rifts and reunite to focus on ensuring that every Jeffco student is well-equipped and prepared to excel in his or her college life or career."
