Background:

In order to ease overcrowding and address critical facility maintenance issues, Jeffco Public Schools relocated Stein Elementary on the O'Connell Middle School campus, renaming the school Emory Elementary. The original Stein Elementary campus underwent major renovations, and will re-open for the 2017-18 school year as Rose Stein International Elementary. The construction at the original site is now complete, and will host an open house for students, families, potential staff, and the entire community to see the new space.
